Welcome to Lahore
Welcome to Haemcon2023

DEAR COLLEAGUES

We welcome all delegates to the HAEMCON 2023, this time in Lahore, the second largest city of Pakistan and the capital of Punjab. The unique history of Lahore dates to golden era of Mughal Empire and finally part of Islamic Republic Pakistan. Lahore is also called cultural capital of Pakistan. University of Health sciences, first Health University in Punjab located in the heart of the city producing a number of qualified graduates and postgraduates every year. The university has a vision to bring qualitative and quantitative revolution in medical education and research through evolution. The Hematology department of UHS, has made significant advancements over time with active participation in monthly/annual PSH meetings. Pakistan society of Hematology (PSH) in collaboration with UHS is going to hold 25th annual Silver Jubilee meeting on 16th-18th February, 2023.

The theme of the conference is “ Diversifying and translating research into Clinical Practice of Haematology”. Achievement of this theme requires close collaboration between hematologists, professionals from allied health sciences and research scientists. Annual PSH conference is the platform where hematopathologists, clinical hematologists, Family Physicians, Technologists, Nurses, Researchers, and consultants from Allied specialties share and disseminate their cutting-edge research and knowledge. This year PSH is involving undergraduate medical students in the conference as torch bearer for the future of Haematology. PSH stands tall with efforts of all its members. Therefore, we anticipate the active participation of every member of the fraternity.

“Let’s join hands to vanquish the blood diseases”.

HAEMCON2023

International Conference

Day 1 Thursday 16-02-2023 Moderator: Dr. Yusra Rashid

Inaugural Session

Time	Activity	Speaker	Designation
08:00- 08:30 am	Onsite Registration		
08:30-08:50 am	Guests to be seated		
08:50-08:55 am	Welcome Address	Prof. Dr. Salman N Adil	President PSH
08:55-09:00 am	Address by Vice Chancellor UHS	Prof. Dr. Ahsan Waheed Rathore	Vice Chancellor UHS
09:00- 9:20 am	Al Razi Lecture, Haematology: Past, Present and Future	Maj. Gen ® Muhammad Ayub	Ex-Commandant AFIP
09:20 -09:40 am	Ibn e Sina Lecture: How to ensure Quality in Haematology Practice?	Prof. Dr. Aaron Han	Deputy Commissioner (UAE) College of American Pathologists
09:40- 09:55 am	Inaugural address by Chief Guest	Mr. Mohsin Naqvi Chief Minister Punjab Prof. Dr. Javed Akram Health Minister Punjab	
09:55-10:00 am	Vote of Thanks and Memorial Video of Late Prof. Dr. Abdul Hayee	Dr. Muhammad Asif Naveed	Chairperson HAEMCON HOD Hematology UHS

Tea Break 10:00 – 10:30 am

Red Blood Cell Disorders and Bone Marrow Failure Syndromes Moderator: Dr. Rafeeda Maab

Chairpersons/Panelists	Prof. Dr. Khalid Zafar Hashmi	Maj. Gen ® Dr. Suhaib Ahmad
	Prof. Dr. Shahida Mohsin	Prof. Dr. Ayesha Junaid
	Prof. Dr. Fouzia Iqbal Butt	

Time	Topic	Speaker
------	-------	---------

Plenary Talks

10:30-10:50 am	Inherited Bone Marrow Failure Syndrome	Prof. Dr. Nisar Ahmad Ex-HOD Children Hospital Lahore
10:50-11:10 am	Management of Sickle Cell Disease and Recent Advances	Dr. Farrukh Shah Consultant Haematologist Whittington Hospital, UK
11:10-11:30 am	Preliminary report on beta thalassemia major EMR in Punjab	Prof. Dr. Shabnam Bashir Fatima Jinnah Medical University Lahore
11:30-11:50 am	Genetic Modifiers in beta-thalassemia and their Role in Phenotype Modulation	Prof. Dr. Maria Domenica Capellini University of Milan, Italy
11:50-12:10 pm	Recent Advances in treatment of Aplastic Anemia	Dr. Saqib Ansari Children Hospital Karachi
12:10- 12:20 pm	Panel Discussion Questions	

Free Papers

12:20-12:26 pm	Association Between Genotype and Endocrine Complications in Pakistani Patients with Beta Thalassemia	Dr. Ayesha Younus Chughtai Institute of Pathology, Lahore
12:27-12:33 pm	Frequency Of Alpha Thalassemia (3.7 And 4.2 Gene Deletion) in Pregnant	Dr. Imran Shahid University of Health Sciences, Lahore

Silver Jubilee

HAEMCON2023

International Conference

	Women with Microcytic Hypochromic Anemias.	
12:34-12:40 pm	Diagnostic Utility of Bone Marrow Biopsy/Bone Marrow Culture in Patients with Pyrexia of Unknown Origin: A Ten-Year Retrospective Analysis	Dr. Sehar Khaliq Foundation University Islamabad
12:41- 12:47 pm	Evaluation Of the Combination Therapy of Hydroxyurea and Thalidomide In B-Thalassemia	Dr. Misbah Munir Children Hospital Karachi
12:48- 01:05 pm	Questions and Answers	
Role of Ruxolitinib in the management of GvHD 01:05 pm to 01:25 pm Industry Sponsored Lecture (Novartis)		Maj Gen ® Pervez Ahmad
Lunch and Prayer Break 01:25 pm to 02:10 pm		
White Blood Cell Disorders		Moderator: Dr. Nada Junaid
Chairpersons/Panelists	Prof. Dr. Khursheed Ahmad	Prof. Dr. Zeba Aziz
	Brig. ® Nadir Ali	Brig. Dr. Asad Abbasi
	Prof. Dr. Mona Aziz	
Time	Session	Speaker
Plenary Talks		
02:10-02:30 pm	New Investigational Combinations for high-risk Myelodysplastic Syndrome	Dr. Abbas Khokhar King Edward Medical University Lahore
02:30-02:50 pm	Disorders of Monocytes	Prof. Aaron Han Deputy Commissioner (UAE) College of American Pathologists
02:50-03:10 pm	Update on Management of Acute Lymphoblastic Leukemia	Prof. Mary Taj Royal Marsden Hospital, London. UK
03:10-03:30 pm	CLL: Treatment options and Recent updates with focus on BTKi	Dr. Khurram Tariq Seby B. Jones Regional Cancer Center, USA
03:30-03:50 pm	Advancements in the management of AML: Where do we stand?	Prof. Dr. Usman Sheikh Aga Khan University, Karachi
03:50-04:05 pm	Panel Discussion Questions and Answers	
Free Papers		
04:05-04:11 pm	Data Visualization and CBC-based Morphometric Parameters: Revealing a New Diagnostic Tale for Acute Promyelocytic Leukemia.	Dr. Sidra Izhar Baqai Medical University, Karachi
04:12-04:18 pm	Comparison of MTHFR C677T and A1298C Genetic Polymorphism in Chronic Myeloid Leukemia and Normal Healthy Individuals	Dr. Afshan Amir Sumra University of Health Sciences, Lahore
04:19-04:25 pm	Association between cytogenetic findings and post induction minimal residual disease in Childhood B-Lymphoblastic Leukemia	Dr. Esha Farooq The Indus Hospital Karachi

Silver Jubilee

HAEMCON2023*International Conference*

04:26-04:32 pm	Characterization of acute promyelocytic leukaemia: follow up study at a tertiary care center	Dr. Maymoona Suhail Armed Forces Institute of Pathology
04:33-04:39 pm	Clinicohematological Characteristics and Cytogenetic Profile of Chronic Myelomonocytic Leukemia; An Experience from Pakistan	Dr. Zoya Ziad National Institute of Blood Diseases, Karachi
04:40-04:46 pm	Development of real time quantitative PCR for detection and monitoring of BCR-ABL p190 transcript in acute lymphoblastic leukemia patients.	Dr. Gulshan Munir Hayat Abad Medical Complex Peshawar
04:47-04:52 pm	Diagnostic Utility and Critical Analysis of Flow Cytometric Data in Acute Leukemia	Dr. Farwa Raza Armed Forces Institute of Bone Marrow Transplantation, Rawalpindi
04:53-04:59 pm	Mutational landscape of hematological disorders in Pakistan	Dr. Zaineb Akram National University of Medical Sciences, Islamabad
05:01-05:30 pm	Questions and Answers	

Day 2 Friday 17-02-2023**Platelets and Coagulation Disorders****Moderator: Dr. Umera Saleem**

Chairpersons/Panelists	Prof. Dr. Samina Naeem	Prof. Dr. Ikram ud Din Ujjan
	Prof. Dr. Fazal-e-Raziq	Prof. Dr. Ayesha Ahsan
	Prof. Dr. Ambareen Hameed	
Time	Session	Speakers
Plenary Talks		
08:15- 08:35 am	Inherited Thrombophilias	Brig. Dr. Hamid Saeed Malik Armed Forces Institute of Pathology
08:35- 08:55 am	Hospital Acquired Venous Thromboembolism	Prof. Dr. Bushra Moiz Aga Khan University Karachi
08:55- 09:15 am	Anticoagulation and Sex related Challenges	Dr. Abdul Manan Glan Clwyd Hospital & Bangor Hospital, UK
09:15- 09:35 am	Inherited Thrombocytopenias	Prof. Dr. Marie-Christine Alisse Aix Marseille University France
09:35- 09:55 am	Acquired Coagulopathies	Prof. Catherine Hayward Mc Master University Toronto, Canada
09:55-10:15 am	Emicizumab prophylaxis: a novel alternative therapy for Haemophilia A patients with inhibitors.	Dr. Munira Borhany Dr. Ziauddin Hospital Karachi
10:15-10:30 am	Panel Discussion Questions and Answers	
Tea Break 10:30 – 11:00 am		
11:00-11:15 am	Genetic alterations in type III von Willebrand Disease	Dr. Muhammad Asif Naveed University of Health Sciences, Lahore
Free Papers		

Silver Jubilee

HAEMCON2023

International Conference

11:16-11:22 am	Coagulation Profile in COVID-19 Patients and its Relation to Disease Severity	Dr. Warda Iqbal Liaquat University of Medical and Health Sciences, Jamshoro
11:23-11:29 am	Evaluation Of NLR and PLR in Immune Thrombocytopenic Purpura; Is It Worth Doing?	Dr. Aisha Arshad National Institute of Blood Diseases, Karachi
11:30-11:36 am	Frequency of inhibitors among known hemophilia A patients presenting to hematology department of tertiary care hospital	Dr. Javeria Abdullah Amir ud Din Medical College/Postgraduate Medical Institute, Lahore
11:37-11:43 am	Platelet factor 4 (PF4 antibody)in diabetic and non diabetic patients during heparin therapy.	Dr. Razia Asif Liaquat University of Medical and Health Sciences, Jamshoro
11:44-11:50 am	Role of immature platelet fraction and glycemic control in development of complications in type 2 diabetic patients	Prof. Dr. Sobia Ashraf University of Lahore
11:51-11:56 am	Utilization of neutrophil-to-lymphocyte ratio to assess recovery in Patients with dengue	Dr. Nimrah Ishaque Chughtai Institute of Pathology, Lahore
11:57-12:03 pm	Association between Mean Platelet Volume and Cardiac Troponin I Level in Patients with Acute Coronary Syndrome.	Dr. Sana Iqbal Sheikh Zayed Hospital Lahore
12:04- 12:20 pm	Questions and Answers	
12:20-12:40 pm	Sample Quality in Pre-analytics (Industry Sponsored Lecture by Sejazuddin & Co)	Dr. Maria Agafonova Greiner Bio One
12:40-01:10 pm	General Body Meeting	
Lunch and Prayer Break 01:10-02:00 pm		
Transfusion Medicine		Moderator: Dr. Nazish Saqlain
Chairperson/ Panelists	Maj. Gen. ® Dr. Saleem Ahmad Khan	Prof. Dr. Yasmeen Lodhi
	Prof. Dr. Humera Rafiq	Prof. Dr. Hanif Mengal
	Prof. Dr. Faiza Bashir	
Time	Session	Speakers
02:00-02:20 pm	Roche Blood Safety Solutions: Ensuring availability of safe blood (Industry Sponsored Lecture by Roche Diagnostics)	Mr. Zaki Masood Siddiqui
Plenary Talks		
02:20-02:40 pm	Blood Bank KPIs: How to Select, Develop and Analyze	Prof. Dr. Saba Jamal Indus Hospital Karachi
02:40-03:00 pm	Establishment of Plasma Fractionation in Pakistan	Prof. Dr. Hassan A. Zaheer Advisor WHO Consultant CansinoBio
03:00-03:20 pm	Plasma Derived Medicinal Products: What, Why and How	Prof. Brig ® Dr. Nuzhat Mushahid Riphah University Islamabad
03:20-03:40 pm	Blood Product Inventory Management and Massive Haemorrhage Protocol	Dr. Asad Hayat

Silver Jubilee

HAEMCON2023

International Conference

		Shaukat Khanum Memorial Cancer Hospital, Lahore
03:40-04:00 pm	Patient Blood Management and Hemovigilance in Government Sector Hospitals of Sindh by Regional Blood Centres	Dr. Samra Waheed Dr. Kanta Devi Regional Blood Centre Karachi
04:01-04:15	Panel Discussion Questions and Answer	
Free Papers		
04:16-04:22 pm	Evaluation of Haematological Parameters and Sars-Cov-2 Igg Antibodies In Neonates Born To Mothers Following Covid-19 Infection in Pregnancy.	Dr. Ihsan Alam Khan Khyber Medical University Peshawar
04:23- 04:29 pm	Blood bank stored red blood cells are prone lysis, and cause subclinical inflammation when transfused to patients with Thalassaemia	Dr. Yasir Mehmood Yousufzai Khyber Medical University, Peshawar
04:30-04:36 pm	Estimating Residual Risks of Transfusion Transmitted Hepatitis B Virus and Hepatitis C Virus In Pakistan: An Impact Of Nucleic Acid Amplification Test.	Dr. Syeda Mah Ali Liaquat National Hospital Karachi
04:37-04:42 pm	Rh Alloimmunization in Multi-Transfused Thalassaemia Patients: A Single Center Study	Dr. Ayesha Jamal University of Child Health Sciences, Lahore
04:43-04:49 pm	Frequency of bacterial contamination in platelets concentrates in a low middle income country: a single center data	Dr. Bhawna Kumari Aga Khan University Hospital Karachi
04:50-04:56 pm	Blood donor selection and deferral pattern: an important tool for blood safety at a regional blood center in Pakistan	Dr. Noor e Saba Regional Blood Centre Peshawar
04:57- 05:03 pm	Peripheral Hematological Predictors of Morphological Remission/ Hematopoietic Recovery in Plasma Cell Disorder (Multiple Myeloma) After Induction Chemotherapy	Dr. Hamzullah Khan Nowshera Medical College
05:04-05:10 pm	Prevalence of three major Rh blood group antigens (D, C, c) in the blood donor population of Peshawar, Pakistan	Dr. Akhlaq Wazir Regional Blood Centre Peshawar
05:10-05:30	Questions and Answers	
Gala Dinner 7:00 pm (Haveli Asif Jah)		

Silver Jubilee

HAEMCON2023*International Conference***Day 3 Saturday Parallel Session 1 (18-02-2023)****Bone Marrow Transplant****Dr. Uzma Zaidi**

Chairpersons/ Panelists	Prof. Dr. Salman Naseem Adil Maj. Gen ® Dr. Tariq Mehmood Satti	Maj Gen ® Dr. Pervez Ahmad
Time	Topic	Speaker

Plenary Talks

08:15- 08:40 am	An update on haplo-identical transplantation	Maj Gen Dr. Qamar un Nissa Armed Force Institute of Bone Marrow Transplantation
08:45- 09:10 am	Myelofibrosis; To transplant or not to transplant?	Dr. Salman Fazal Allegheny Health Network, Pittsburgh, PA, USA
09:10- 09:30 am	Immunotherapies as bridge BMT in Leukemias-Shifa Experience	Dr Ayaz Mir Shifa International Hospital, Islamabad
09:30- 09:50 am	CAR T cells vs HSCT – are we there yet?	Dr Muzaffar Qazilbash MD Anderson Cancer Centre, Houston, USA
09:50- 10:10 am	Advances in HSCT for primary immunodeficiency disorders	Dr Zehra Fadoo Aga Khan University Hospital Karachi
10:10-10:30 am	Panel Discussion Questions and Answers	

Tea Break 10:30 – 11:00 am

Free Papers

11:01-11:07 am	Fludarabine/Cyclophosphamide Conditioning Regimen in Aplastic Anemia Patients Receiving Matched-Sibling Donor Transplant Is Non-inferior to ATG/Cyclophosphamide: A Single-Center Experience from Pakistan	Dr. Waseem Shahani National Institute of Blood Diseases, Karachi
11:08-11:14 am	Oral Mucositis in patient undergoing Hematopoietic Stem Cell Transplantation: A Single Center Experience	Dr. Muhammad Yousuf Armed Forces Institute of Bone Marrow Transplantation, Rawalpindi
11:15-11:21 am	Pre-transplant Ganciclovir Prophylaxis to Prevent CMV infections in Allogeneic Hematopoietic Stem Cell Transplant Recipients	Dr. Khadija Bano Shifa International Hospital Islamabad
11:22-11:28 am	Safety and Efficacy of Allogeneic Hematopoietic Stem Cell Transplant in Inherited Platelet Disorders: A Single Center Experience from Pakistan	Dr. Asghar Ali Kerio Armed Forces Institute of Bone Marrow Transplantation, Rawalpindi
11:29-11:35 am	Utility of Automated Hematology Analyzer XN 1000 in the detection of Malaria Parasites	Dr. Noorulain Fareed Dow University of Health Sciences, Lahore
11:36-11:42 am	Incidence, Management and Outcome of Hepatic Veno-Occlusive Disease /Sinusoidal Obstruction Syndrome after Hematopoietic Stem Cell Transplant in Thalassemia	Dr. Haider Nisar Armed Forces Institute of Bone Marrow Transplantation Rawalpindi

Silver Jubilee

HAEMCON2023

International Conference

	Major Patients	
11:43-11:49 am	Clinico-Haematological & Molecular Characterization of Patients with Chronic Lymphocytic Leukemia.	Dr. Aisha Hameed University of Health Sciences, Lahore
11:50-11:56 am	Utilization of chronic lymphocytic leukemia - international prognostic index (CLL-IPI) for prognostic stratification in newly diagnosed CLL patients	Dr. Noor ul Huda Armed Forces Institute of Pathology, Rawalpindi
11:56-12:11 pm	Questions and Answers	
12:11-12:30 pm	Changing Landscape in the treatment of DLBCL (Industry Sponsored Lecture by Dr. Usman Ahmad)	Dr. Usman Ahmad

**Day 3 Saturday Parallel Session-2 (18-02-2023) Venue: Shaikh Zayed Hospital
Laboratory Haematology Mr. M. Asif Shaheen**

Chairpersons/ Panelists	Prof. Dr. Saqib Mehmood	Prof. Dr. Javed Asif
	Prof. Dr. Sajjad Haider	Prof. Dr. Muneeza Junaid
Time	Session	Speaker

Plenary Talks

09:00- 09:20 am	Advances in Laboratory Techniques of Haematology	Dr. Arshi Naz Liaquat University of Medical and Health Science, Jamshoro
09:20- 09:40 am	Research Grants in Laboratory Haematology; Opportunities and Proposal writing	Dr. Javeria Aijaz Indus Hospital Karachi
09:40- 10:00 am	Interpretation of Cell Population Data of CBC and Machine Learning	Dr. Zeeshan Haider Sahara Medical College Narowal
10:00- 10:20 am	Pre-Analytical Errors in Laboratory Haematology	Prof. Dr. Shahtaj Masood Hayat Abad Medical Complex Peshawar
10:20- 10:40 am	Updates on the 5 th edition of WHO Classification of Hematolymphoid Tumors with emphasis on Myeloid Neoplasms	Dr. Jawad Kazmi National Institute of Blood Diseases
10:40-11:00 am	Panel Discussion Questions and Answers Session	

Tea Break 11:00 – 11:30 am

Free Papers

11:31-11:37 am	Pulmonary Complications following blood transfusion	Ms. Subuhi Raza Aga Khan University Hospital Karachi
11:31-11:37 am	BioNet Dataset: AI-Based Diagnostic Solutions Using Peripheral Blood Smear Images	Mr. Usman Ali Shamas University of Health Sciences, Lahore
11:38- 11:44 am	Differentiating between dengue fever and malaria using the hematological parameters.	Ms. Anila Zafar Aga Khan University Hospital Karachi

Silver Jubilee

HAEMCON2023*International Conference*

11:44-11:52 am	Frequency of Aspirin resistance and its association with COX-1 gene polymorphism rs1330344	Ms. Iqra Rabbani University of Health Sciences, Lahore
11:53-11:59 am	Assessment of severity of bleeding by using ISTH BAT questionnaire in hemophilia patients	Ms. Madiha Abid National Institute of Blood Diseases, Karachi
12:00-12:07 pm	Why excessive transfusion when limited can work-an experience from Pakistan	Ms. Laraib Majeed National Institute of Blood Diseases Karachi
12:08-12:15 pm	Decreased classical monocytes and CD163 expression in TB patients: an indicator of drug Resistance	Dr. Faheem Shahzad Khan University of Health Sciences, Lahore

Consultative Haematology**Dr. Tooba Fateen**

Chairpersons/ Panelists	Prof. Dr. Khalid Hassan	Dr. Saima Farhan
	Dr. Tahir Bashir	Brig ® Abdul Naeem
	Dr. Ayesha Imran	Dr. Samina Amanat

Time	Topic	Speaker
-------------	--------------	----------------

Plenary Talks

12:30-12:50 pm	Hemophagocytic lymphohistiocytosis associated with Infection	Prof. Dr. Waseem Iqbal Fazaia Ruth Fao Medical College, Karachi
12:50- 01:10 pm	Back to basic: the prudent use of Molecular diagnostic in Haempathology	Dr. Zeshan Ansar Aga Khan University Hospital Karachi

Lunch and Prayer Break 01:15 pm to 02:00 pm

02:00-02:20 pm	Hematological Challenges in solid organ transplant patients.	Prof. Dr. Mona Aziz Sheikh Zayed Hospital, Lahore
02:20-02:40 pm	Complications of Hemophilia; Multidisciplinary Approach	Prof. Dr. Lubna Zafar Foundation University Islamabad
02:40-03:00 pm	COVID 19 Coagulopathies	Prof. Dr. Javed Akram Health Minister Punjab
03:00-03:15 pm	Panel Discussion Questions and Answers	
03:15-03:35 pm	Closing Remarks Prof. Dr. Ahsan Waheed Rathore Closing Ceremony	Dr. Yusra Rashid
