Dr Abdus Sami
Dr Khalil Ur Rahman

ANNOUNCEMENT

PSH Joins the International Council for Standardization in Haematology (ICSH) as an Affiliate

The Pakistan Society of Haematology (PSH) is pleased to announce its **official acceptance** as an affiliate of the **International Council for Standardization in Haematology (ICSH)**.

This affiliation was formally acknowledged at the **ICSH General Assembly** held in **Shanghai, China**, in **October 2026**, where PSH was recognised among the Council's international affiliates and partners.

This important milestone will strengthen PSH's engagement with the international haematology community and create opportunities to advance standardization, quality assurance, and best laboratory practices in haematology across Pakistan.

The affiliation is also expected to facilitate academic collaboration, professional development, and opportunities for trainees and young hematologists to participate in international scientific meetings and educational activities.

PSH looks forward to a productive partnership with ICSH that improves laboratory standards and advances haematology practice in Pakistan.

Yours sincerely,

PAKISTAN SOCIETY OF HAEMATOLOGY
OFFICIAL STAMP

Prof. Bushra Moiz
President, PSH

Prof. Munira Borhany
Secretary, PSH

Date: 10 November 2026
